 40. Prevalence and seroconversion of viral hepatitis B and C and HIV among hemophilia patients in Baghdad, Iraq, 2016. 9th Edition of International Conference on Preventive Medicine and Public Health, July 16-17, 2018, London UK
 41. Epidemiological profile of sickle cell disease, Iraq, 2015. 9th Edition of International Conference on Preventive Medicine and Public Health, July 16-17, 2018, London UK
 42. Epidemiological profile of Thalassemia, Iraq, 2015. 9th Edition of International Conference on Preventive Medicine and Public Health, July 16-17, 2018, London UK
 43. Mental disorders among the elderly people attending the geriatric clinic of Baghdad Medical City, Baghdad, Iraq, 2017. 9th Edition of International Conference on Preventive Medicine and Public Health, July 16-17, 2018, London UK

Supervised Thesis and Dissertations

1. Mortality classification in Abu-Ghraib District-Baghdad. High Diploma dissertation/ Community Medicine /Baghdad College of Medicine
2. Over and under vaccination with tetanus toxoid of pregnant ladies attending primary health care centers –Baghdad. High Diploma Dissertation/Comm. Med/Baghdad College of Medicine
3. Evaluation of the Echocardiography unit in Medical City Teaching Hospital –Baghdad Medical College. High Diploma Dissertation/Comm. Med/Baghdad College of Medicine
4. Epidemiological Investigation of Malaria Outbreak in Babylon Governorate. High Diploma Dissertation/Comm. Med/Baghdad College of Medicine
5. Kala Azar status in Diyala Governorate High Diploma Dissertation Comm. Med/Baghdad College of Medicine
6. Evaluation of DOTS in Babylon Governorate. High Diploma dissertation / Comm. Med / Baghdad College of Medicine
7. Pattern of Mesothelioma Cases in Iraq, 1980-2000.High Diploma in Occupational Medicine/ Comm. Med/ Baghdad College of Medicine.

8. Asymptomatic visceral leishmaniasis among contacts of confirmed cases in Thiqr province, Iraq, 2012.
9. Evaluation of Measles case-based surveillance system, Baghdad Resafa, Iraq, 2013
10. Evaluation of Communicable diseases surveillance system and response, Baghdad Al Resafa, 2013.
11. Assessment of Critical standards of patients' safety in a sample of Teaching hospitals in Baghdad, 2014. 2014
12. Trends of colorectal cancer in Iraq from 2002-2011. 2015
13. Epidemiological Characteristics of Burn Injuries in Baghdad Burn Hospital, Baghdad, Iraq, 2015
14. Epidemiological characteristics of hemophilia in Baghdad Governorate, 2017. In process
15. Postpartum depression among mothers attending Primary Health care centers in Baghdad Kerkh, 2018.
16. Assessment of knowledge about osteoporosis among a sample of adult women in Baghdad, Iraq, 2016.
17. Quality of life of hemodialysis patients, Baghdad, Iraq 2017.
18. Epidemiological and clinical characteristics of Burn injuries in Baghdad Hospitals, 2017
19. Sleep quality and gestational hypertension, Baghdad, Iraq, 2018.
20. Determinants and characteristics of Developmental Dysplasia of the Hip Joint in patients attending Saddam Center (Al-Wasitti Hospital) for reconstructive surgery. For Reconstructive Surgery. MSc Thesis/Comm. Med/. Baghdad College of Medicine
21. Occupational hazards of disinfectants medical and health personnel. 2004 MSc Thesis Comm. Med/. Baghdad College of Medicine
22. Maternal and fetal outcomes among women with chronic renal diseases. MSc thesis/ Community Medicine/ Baghdad College of Medicine
23. The pattern of myocardial infarction among patients with chronic metabolic syndrome. MSc thesis / Community Medicine / Baghdad College of Medicine
24. Epidemiological aspects of skin diseases among primary school children in Baghdad Governorate. MSc thesis /Comm. Med/Baghdad College of Medicine
25. Clinical and epidemiological study of caesarian section cases in Tikrit hospital. MSc Thesis/ Community Medicine/ Baghdad College of Medicine
26. Comparison between pregnant women having a caesarian section with normal vaginal delivery in clinical and sociodemographic characteristics at Suleimani Maternity Hospital/ MSc Thesis/ Community Medicine Dept./ Suleimani College of Medicine.
27. Proportion and causes of incomplete immunization of children aged less than 48 months in Baghdad/ MSc Thesis/ Community medicine Dept / Baghdad College of Medicine.

28. Knowledge, Awareness, and Control of Hypertension among adults attending PHCs in Nasiriya City in Iraq/ MSc Thesis / Community Medicine Dept / Baghdad College of Medicine.
29. Prevalence and determinants of Physical Inactivity among diabetic and/or hypertensive patients, Baghdad province, Iraq, 2015-2016. MSc Thesis/ Community Medicine Dept. / Baghdad College of Medicine.
30. Prevalence and determinants of depression among patients with Diabetes mellitus, Babel Province, Iraq, 2013-2014. MSc Thesis/ Community Medicine Dept. / Baghdad College of Medicine.
31. Prevalence of obesity among adult individuals in Sulaymaniyah City. MSc Thesis/ Community Medicine Dept. / Sulaimani College of Medicine.
32. Proportion and determinants of incomplete immunization among a sample of children under two years in Baghdad City, 2008. MSc Thesis/ Community Medicine Dept. / Baghdad College of Medicine.
33. Irritable Bowel syndrome among high school students, Baghdad, Iraq, 2017.
34. Evaluation of Performance of Health Houses in Iraq, 2021-2022
35. Beliefs, Knowledge, and Perception of high school female students in Baghdad about Acne Vulgaris. Iraqi Board of Family Medicine (2008)
36. Satisfaction of attendants to a family medicine training center and a primary health care center in Baghdad. Iraqi Board of Family Medicine (2008)
37. Prevalence and Determinants of Diabetic Peripheral Neuropathy among type 2 diabetics attending Al Baladiyat Popular Clinic in Baghdad. Iraqi Board of Family Medicine. 2009
